We ask that if you are interested in the meeting, you need to send an email to presbnsud@gmail.com and provide the following information (**First and Last name**) to get the password for the ZOOM meeting by Friday, May 29th. When you enter the Meeting ID and password, you can test your microphone and audio to make sure everything is working before the meeting. You will also be placed in a waiting room, before the beginning of the meeting, and the host will let you into the room. When you enter the room, you will be muted. You should be able to unmute yourself, if you have any questions or want to say something.

It is recommend using headphones throughout the meeting as it will eliminate background noise and others will be able to hear you better. It's also recommended you use a laptop, as you'll have more options to participate in the meeting but a tablet or phone work well too.

BNSUD believes that the safety of our members is the number one priority. Please stay safe.

President BNSUD
